RE: Business During COVID-19 Crisis

To: Whom It May Concern

The Koehn Mortgage Group continues to do business as usual, as an “Essential Business”.

Our Clients and Referral Partners are our utmost concern and with the electronic capabilities of today, we can conduct 100% of our services electronically. Families seeking mortgage financing can do everything from the comfort and safety of their homes on their mobile devices or computer.

Our faith and trust in God constantly remind us that we, as a real estate community, will be back to normal operations soon. In the meantime, we are available for any mortgage-related needs our Clients and Referral Partners may have.

Respectfully,

Kristine Koehn
